

GEN AI FUNDING CHALLENGER WORKSHOP

Do you **really** need extra Funding?
Have you considered how rapidly
evolving GenAI capabilities are
transforming how you look at resources
& investments?

Business .com

Production Distribution Finance & Ops Management Board

We will consider:

- ✓ Evolving capacities/capabilities
- ✓ Evolving GenAI trajectories
- ✓ External funding constraints/risks
- ✓ Partnerships
- ✓ Rethinking funding scope

- ✓ Zoom/Teams or on location.
- ✓ Contact for information on pricing.

Welcome to a hands-on workshop where we assess the necessity, impact, and implications of seeking additional funding, in the context of an organisation already accelerating with Generative AI.
