*Dive straight into competitor, partner and customer landscapes with cutting edge GenAI tools, guided by an Expert who understands the complexities of scaling a business.*

*Patrick Halford combines Leadership expertise with how GenAI/agents are evolving in business. He is an Advisor at CxO LAB UK and Next CoLabs North America, and an expert at Singularity Group's "Future of work" (California). He teaches on the "AI for Executives" programmes at Nordic Business schools.*

**Workshop is:**

-  Practical
-  Interactive
-  Immediately applicable
